MEMBERSHIP *dues are due*

If you are receiving this New Years newsletter, that *usually* means that you have been a member in good standing of DVWGS and that sometime in the past year, you have scribbled out and mailed a check, handed over cash or gone online to our website and magically sent in your dues over the internet for the past year (2015) and all is well. You now owe dues for the coming year of 2016.

BUT READ ON... there are some of you... who have forgotten to pay *for the past year (2015)* or possibly (but unlikely) I have misplaced your check or cash, or neglected to type in the correct information in my data-base next to your name.

PLEASE help me out here, because I hate deleting members and it is my rule to do just that around the first of August after the pond tour if there has been no payment.

SO LOOK for clues on your address label on this newsletter that I have so graciously chosen to send to all (2015) paid AND unpaid members.. in hopes that we will keep all of you...

REMEMBER, Everyone owes money at this time, but this is what you will learn by looking at your ADDRESS LABEL:

If it says **DUES OWED FOR 2016.** This means it is time to pay for the upcoming year. Yes, you can wait to pay at the pond tour but isn't it nice to just be done with it and just do it now? Yes it is! Try it and you will see!

IF it says **DUES OWED FOR 2015 AND 2016,** this means you forgot to pay for last year and now you need to pay for two years. Oh my. Yes time goes by fast!

IF you no longer want to be a member, do nothing and I will then in good conscience delete you from our data-base. It has been nice knowing you and I hope you had fun knowing us.

If you need to contact me, please do not hesitate to email me at
